

Kamaile Academy Public Charter School

“Where learning leads to endless opportunity and infinite worth”

Core Value Focus: Kuleana

***Join us for the first ever Kamaile Senior Kuleana Defenses on May 1-2

KULEANA is not just a word that says responsibility but it is much deeper and richer than what the English language can express. It speaks of a value, a way of thinking. KULEANA [can be] a goal, a mission, a duty, but one can also look upon KULEANA as a privilege. This additional meaning to the word allows one to truly think about what they are doing, how they are doing it, and to express a gratitude that is sometimes lacking in taking on a responsibility. When given a task or responsibility, adjust your perspective to include privilege, the task will take on a new meaning and that is KULEANA.
